OFFICE OF THE PRESIDENT, GUNDLUPET MUNICIPALITY.

Notification, dated 6th September 1934.

It is hereby notified for the information of the public that the Municipal Council of Gundlupet Town proposes to levy tolls under Section 61 (1) *h* of the new Municipal Regulation, 1933.

Any citizen who is a resident of Gundlupet Town, and who has any objection to the levy of tolls, or any suggestion to make with respect to the same, should communicate the same to the President, Gundlupet Municipality, within the 31st October 1934.

Gundlupet Town was formerly a small one, and it is now growing in importance. The present annual income of this Municipality is just sufficient to meet the recurring charges.

Though there are a number of improvements to be effected to this town, such as drainage, electrification and other sanitary improvements, etc., it is found not possible to undertake these works, for want of funds.

Hence, it has been now proposed by the Municipal Council of Gundlupet under Section 61 (1) *h* of the new Municipal Regulation, 1933, to levy tolls on all the in-coming vehicles mentioned in Sehedule B at the rates specified below to enhance the resources of the Municipality.

The toll limits for the purpose of collecting tolls shall be the Municipal limits.
